Hi Karen,

I am sorry about this. Can you see the Wolverine folder? Are you able to open the folder and, if yes, I am guessing it is empty, right? It shouldn't be empty, but I am trying to figure out at what point the issue starts so I can resolve it.

I am wondering if you need to be added to the overall site in general first before I add you to the folder. I think that might be the problem.

Hi Everyone,

I just sent you a link to the files we have so far for the Wolverine matter. They were put on Kim Harris' PFAS website and only those people included on this e-mail have access to the documents. Please let me know if you have any questions.

Thank you,  
Jenny
